Dear Friend:

I'm sorry that I have to send you this form postcard acknowledging your letter, but I can promise you that I will give serious thought to the issues you've raised. We get hundreds of letters each month, so I can't promise you that we will use your letter in the magazine. What I can promise is that I will show your letter to others who work with the magazine and will carefully consider the points you are making. So if you don't see your letter in print, you may nevertheless see some future changes in the magazine or new perspectives--our attempt to take your ideas seriously. So thank you for writing.

Sincerely yours,
Michael Lerner, Ph.D.
